Glass and Stone two exciting Contrasts

02.10.2013

Let yourself be inspired and develop with our help completely new forms of artistic ideas, with your stone and our glass, ??especially produced for you.

The combination of glass and stone, at first sight, opposites, here the lightweight, translucent, there heavy, earthy. A closer look shows they are an ideal combination, just think of the magnificent Gothic cathedrals.

Consult with us!

The stone works shown here were made in cooperation with Joachim Ulsamer www.der-steinhauer.de. At Joachim Ulsamer are the design and copyrights.
